

Correction to: Search for subsolar-mass black hole binaries in the second part of Advanced LIGO's and Advanced Virgo's third observing run

This is a correction to: The LVK Collaboration, Search for subsolar-mass black hole binaries in the second part of Advanced LIGO's and Advanced Virgo's third observing run, Monthly Notices of the Royal Astronomical Society, Volume 524, Issue 4, October 2023, Pages 5984–5992, <https://doi.org/10.1093/mnras/stad588>.

In the originally published version of this manuscript, the name of The LVK Collaboration was erroneously given as 'Collaboration The LVK' in the author byline.

This has been corrected.

This paper has been typeset from a Microsoft Word file prepared by the author.
