Henk's full first name is Hendrik, his middle initial is F. In official documents, also those related to the Doctorate honoris causa, his name is therefore Hendrik F. Moed. But friends, family and colleagues use the first name Henk, a sort of nickname for Hendrik. The name Henk is also used in Henk's scientific publications.

Contents

Tracing the Art of Metrics-Based Research Assessment Through Henk Moed’s Work	1
Cinzia Daraio and Wolfgang Glänzel	
Selected Essays	
Selected essays of Henk F. Moed	15
