CLADAG 2019
Cassino (ITALY)
11-13 September, 2019

The CLAssification and Data Analysis Group
of the Italian Statistical Society (SIS) promotes
advanced methodological research in multivariate
statistics with a special vocation in
Data Analysis and Classification.

CLADAG supports the interchange of ideas in
these fields of research, including the dissemination
of concepts, numerical methods, algorithms,
computational and applied results.

CLADAG is a member of the International Federation
of Classification Societies (IFCS).

Among its activities, CLADAG organizes a biennial
international scientific meeting, schools related to
classification and data analysis, publishes a
newsletter, and cooperates with other member
societies of the IFCS to the organization
of their conferences.

Founded in 1985, the IFCS is a federation of national,
regional, and linguistically-based classification societies.
It is a non-profit, nonpolitical scientific organization,
whose aims are to further classification research.
