A Pre-Meeting Field Trips

| | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|
| Field Trip A1..... | 1 |
| <i>Microbial carbonate reservoirs architecture: from depositional facies to seismic scale geometries in the Triassic of the Dolomites (Italy)</i> | |
| G. GATTOLIN, M. FRANCESCHI, P. GIANOLLA | |
| Field Trip A2..... | 21 |
| <i>Tidal channels and saltmarshes of the Venice Lagoon (Italy): from morphodynamics to sedimentary products</i> | |
| M. GHINASSI, A. D'ALPAOS, A. FINOTELLO, S. SILVESTRI, E. BELLIZIA, M. COSMA, L. BRIVIO, A. GASPAROTTO, M. PASTRO, M. RONER | |
| Field Trip A3..... | 39 |
| <i>Varied sedimentation in a short time: the upper Messinian succession of the north-eastern Volterra Basin (Tuscany, Central Italy)</i> | |
| M. BENVENUTI, I. MARTINI | |
| Field Trip A4..... | 53 |
| <i>From Messinian to Pleistocene: tectonic evolution and stratigraphic architecture of the Central Adriatic Foredeep (Abruzzo and Marche, Central Italy)</i> | |
| M. GHIELMI, G. SERAFINI, A. ARTONI, C. DI CELMA, A. PITTS | |
| Field Trip A5..... | 93 |
| <i>Lacustrine deposits of the late Piacenzian-Gelasian L'Aquila intermontane basin (Central Italy)</i> | |
| D. COSENTINO, B. GIACCIO, E. GLIOZZI, M. NOCENTINI, G. PIPPONZI, M. SPADI, M. TALLINI | |
| Field Trip A6..... | 113 |
| <i>Late Quaternary coastal deposits of West Sardinia: from pocket beaches to barrier-lagoon systems</i> | |
| S. ANDREUCCI, D. SECHI, G. COSSU, V. PASCUCCI | |
| Field Trip A7..... | 129 |
| <i>The interplay between tectonics, salt tectonics and sedimentation in forming stratigraphic sequences in the peri-ionian basin, Eastern Calabria</i> | |
| S. CRITELLI, F. MUTO, F. PERRI, E. PERRI, V. TRIPODI, A. GUIDO, M. BORRELLI, N. ARCURI, M. ZECCHIN, M. CAFFAU, L. GINDRE-CHANU | |
| Field Trip A8..... | 145 |
| <i>Tidal sedimentary dynamics of the early Pleistocene Messina Strait (Calabria, southern Italy) based on its modern analogue</i> | |
| S.G. LONGHITANO, D. CHIARELLA, M. GUGLIOTTA, P. BARRIER | |

IM Intra-Meeting Field Trips

| | |
|----------------------------------------------------------------------------------------------------------------------------------------------|-----|
| Field Trip IM1..... | 165 |
| <i>Volcanic sequence and hydrothermalism as planetary analogues: examples from quiescent volcanoes in the Naples area (Italy)</i> | |
| L. MARINANGELI, M. PIOCHI, B. CAVALAZZI, G. IEZZI | |
| Field Trip IM2..... | 181 |
| <i>79 A.D. pyroclastic successions in archaeological sites of Somma-Vesuvius (southern Italy)</i> | |
| P. PETROSINO, C. SCARPATI | |
| Field Trip IM3..... | 193 |
| <i>The Mesozoic carbonates of the Amalfi Coast: facies and dolomitization across time</i> | |
| A. IANNACE, M. PARENTE | |
| Field Trip IM4..... | 205 |
| <i>The depositional architecture of the Pleistocene deposits of the Roman Basin (Italy)</i> | |
| S. MILLI, D. TENTORI, M. MARINI | |
| Field Trip IM5..... | 215 |
| <i>Eruption and emplacement mechanisms of pyroclastic sediments: examples from the Vulsini volcanoes</i> | |
| D.M. PALLADINO, G. SOTTILI | |
| Field Trip IM6..... | 223 |
| <i>The Sabellaria bioconstructions and their Plio-Pleistocene substratum along the southern Latium coast (Tor Caldara, Anzio, Italy)</i> | |
| M. MORETTI, S. LISCO, M. BRANDANO, L. TOMASSETTI, M.F. GRAVINA, M. PANTALONI, F. CONSOLE | |

B Post-Meeting Field Trips

| | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| Field Trip B1..... | 235 |
| <i>The Messinian sediments of the Piedmont Basin: a record of the Messinian Salinity Crisis and of circulation of gas-rich fluids</i> | |
| F. DELA PIERRE, L. MARTIRE, M. NATALICCHIO | |
| Field Trip B2..... | 257 |
| <i>Control exerted by collisional tectonics on basin topography and depositional styles: the Tertiary Piedmont Basin (TPB) in the Alps- Apennines Junction (NW Italy)</i> | |
| A. DI GIULIO, M. MARINI, F. FELLETTI M. PATACCI, M. ROSSI, C. AMADORI | |

| | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| Field Trip B3..... | 289 |
| <i>Fluid expulsion in accretionary wedges: what can we learn from Miocene seep carbonates (Emilia and Tuscan Apennines, Italy)</i> | |
| D. FONTANA, S. CONTI, C. ARGENTINO, C. FIORONI | |
| Field Trip B4..... | 303 |
| <i>Sedimentary Architecture of the Umbria-Marche Apennines (Italy)</i> | |
| S. CIRILLI, E. CAPEZZUOLI, A. SPINA | |
| Field Trip B5 | |
| <i>Foredeep turbidites of the northern and central Apennines: Marnoso-arenacea and Laga Formations</i> | |
| S. MILLI, R. TINTERRI, A. PIAZZA, M. MARINI, M. MOSCATELLI | |
| Field Trip B5a..... | 323 |
| <i>Foredeep turbidites of the Miocene Marnoso-Arenacea Formation (Northern Apennines, Italy)</i> | |
| R. TINTERRI, P. MUZZI MAGALHAES, A. TAGLIAFERRI, A. PIAZZA | |
| Field Trip B5b..... | 339 |
| <i>The lower-middle Messinian turbidite deposits of the Laga Basin (central Apennines, Italy)</i> | |
| S. MILLI, M. MARINI, M. MOSCATELLI | |
| Field Trip B6..... | 353 |
| <i>Central Apennines and its earthquakes: from sedimentology and active tectonics to seismic microzonation studies</i> | |
| C. D'AMBROGI, M. MANCINI, C. MURARO, G.P. CAVINATO, | |
| E. FALCUCCI, S. GORI, G. MONEGATO, G. SCARDIA, G. VIGNAROLI | |
| Field Trip B7..... | 381 |
| <i>Paleocene to Quaternary stratigraphic evolution of Majella Carbonate Platform (Central Apennines); from geological and archeological events to the potential carbonate reservoir</i> | |
| M. BRANDANO, L. TOMASSETTI, I. CORNACCHIA, | |
| L. POMAR, S. AGOSTINI, E. NICOUD, V. VILLA | |

IW Intra-Meeting Workshops

| | |
|----------------------------------------------------------------------------------------------------|-----|
| Workshop IW2..... | 397 |
| <i>Geo-archaeology of the Central Archaeological Area (CAA) of Rome</i> | |
| M. MANCINI, M. MOSCATELLI, F. STIGLIANO, C. DI SALVO | |
| Workshop IW3..... | 411 |
| <i>Travertine facies: a Tivoli core-workshop and a walk through the Sapienza University Campus</i> | |
| G. DELLA PORTA, A. MANCINI, E. CAPEZZUOLI, V. RUSCITTO | |
