The authors regret that the following errors were present in the above-mentioned article.

Page 126

2.1. Sample

1st line

“Participants were recruited from the longitudinal blinded for review Study (e.g., blinded for review).”

Should read:

“Participants were recruited from the longitudinal Study entitled Parenting Across Cultures (e.g., Lansford et al., 2014).”

Page 127

2.1. Sample

8th line

“Over 81% of mothers, 77% of fathers, and 81% of children from the initial sample (see Blinded) . Study provided data at T1.”

Should read:

“Over 81% of mothers, 77% of fathers, and 81% of children from the initial sample of Parenting across Cultures Study provided data at T1.”

2.3.2. Early adolescents' self-efficacy beliefs about anger regulation (T2)

7th line

“We examined youths' answers about how well they could deal with their anger in the three out of six vignettes (1 = *not at all well* – 5 = *very well*) that had the highest factor loadings in a confirmatory factor analysis conducted with this same sample (Blinded for review).”

Should read:

“We examined youths' answers about how well they could deal with their anger in the three out of six vignettes (1 = *not at all well* –
