

Corrigendum

Corrigendum to: “Vaccination in immunocompromised host: Recommendations of Italian Primary Immunodeficiency Network Centers (IPINET)” [Vaccine 36 (2018) Pages 3541–3542]

Baldassarre Martire^{a,*}, Chiara Azzari^b, Raffaele Badolato^c, Clementina Canessa^b, Emilia Cirillo^d, Vera Gallo^d, Simona Graziani^e, Tiziana Lorenzini^c, Cinzia Milito^f, Raffaella Panza^a, Viviana Moschese^e, with Italian Network for Primary Immunodeficiencies (IPINET)¹

^a Pediatric Hematology Oncology Unit, “Policlinico-Giovanni XXII” Hospital, University of Bari, Italy

^b Pediatric Immunology Unit “Anna Meyer” Hospital University of Florence, Italy

^c Department of Clinical and Experimental Sciences, University of Brescia, Italy

^d Department of Translational Medical Sciences, Pediatric section, Federico II University, Naples, Italy

^e Pediatric Allergology and Immunology Unit, Policlinico Tor Vergata, University of Rome Tor Vergata, Italy

^f Department of Molecular Medicine, Sapienza University of Rome, Italy

The authors regret that the names of some of the centers that participated in the study were omitted from the original publication: the full list of the IPINET members and centers is given above.
