

SAPIENZA  
UNIVERSITÀ DI ROMA

*Studio di adsorbenti innovativi finalizzati alla  
determinazione di microinquinanti organici in  
matrici ambientali*

*Study of innovative adsorbents aimed at  
investigating organic micropollutants in  
atmospheric matrices*

**Faculty of Mathematics, Physics and Natural Sciences  
Department of Chemistry  
Doctorate in Chemistry (PhD) XXXIII Cycle**

**Marina Cerasa  
1272589**

Supervisor  
Professor Alessandro Bacaloni

Co-supervisor  
Dr Ettore Guerriero

Coordinator  
Professor Paola D'Angelo
